Circular No. Acad-31/2012

Sub.:  Important changes in CCE Mentoring and Monitoring Framework– Updation and upgradation of Mentoring Corner in the Board’s Academic Website i.e. www.cbseacademic.in

Dear Principal,  
Mentor/Mentee schools,

Continuous and Comprehensive Evaluation (CCE) in its strengthened form was initiated by Central Board of Secondary Education at Secondary Stage in all schools affiliated to it from the academic session 2009-2010. The CCE scheme has been implemented in its schools successfully with the cooperation and untiring efforts of various stakeholders in general and that of the Mentors in particular. During the last 2-3 years, the Mentors appointed by the Board have significantly contributed **positively towards implementation of CCE scheme in CBSE schools.** Now we need to give further impetus to the implementation of CCE scheme and carry mentoring further through handholding and collaboration. Mentors can now access the CBSE Academic Website (www.cbseacademic.in) to reach Mentoring-Monitoring Framework under the Mentoring Corner.

> In the above website an exclusive corner for Mentoring has been provided in which all documents related to Mentoring and Monitoring are available. The **Mentoring Corner** as on date contains:

  o All about Mentoring and Monitoring  
  o Notifications about Mentoring and Monitoring Workshops  
  o Circulars regarding Mentoring and Monitoring  
  o Mentors Data  
  o Contact details  
  o User Manual

> The above information is accessible to every user.

> As you are aware the Board started Mentoring and Monitoring exercise in the year 2009-10 and to monitor the progress of implementation of CCE in the Board’s affiliated schools, willing principals from across the country were trained as Mentor and Monitors and were allotted Mentor Codes to operate online with the Board.

> **Now, to streamline the process and further automate its Mentoring and Monitoring activities, it has been decided that all the Mentor/Mentee IDs allotted earlier and now onwards be named as Mentor/Mentee Code(s). Online interaction with Mentor/Mentee schools has now been made operational through a new Login ID for every Mentor/Mentee school.**

> **This Login ID for any school whether it is a Mentor or a Mentee will be its “School No.” which is allotted by the respective Regional Offices of the Board.** The guideline for allotting Login IDs and generating Password is explained in **Annexure-1**.

> Each Mentor and Mentee school will also be allotted Mentor/Mentee Code which represents the school as a Mentor or as a Mentee and will be used by them after properly logging into the Mentoring Corner for accessing specific material related to mentoring. The method for allotting Mentor/Mentee Codes is explained in **Annexure-2**.
The Mentor Codes will be allotted to only those School Principals who attend the Mentoring and Monitoring Orientation Programme and Mentees will also be allotted to these trained Mentors after the Orientation Programme only.

However, the information specific to Mentor school and the Mentee school has been made accessible only after entering through Unique Login IDs in the Login window and entering valid Password. Guidelines to login as a User school are also given in the home page of Mentoring Corner of Board’s academic website www.cbseacademic.in which may be read very carefully before logging in.

All documents to be used by the Mentors such as Appointment letter as Mentor, letter to the Chairman/Manager of the Mentor school, Mentee list and Mentor Report etc. can be accessed through properly Logging in with Login IDs and getting a password and then clicking on latest Mentor Codes. Guidelines to login through Login IDs are given in Annexure-1, Points 5,6 & 7-A.

The format of On-line Report (Handout-3F) which is to be sent to the Board by the Mentor has been modified. It has been made more objective and analytical in character. This would enable quality monitoring and effective implementation of CCE in the affiliated schools of the Board and help in identifying the resourceful and competent Mentors. The outcome analysis of these reports shall be one of the criteria for the CBSE Mentor Award selection process.

All documents to be used by the Mentee schools i.e. i) Mentee letter which contains information about the Mentor allotted to them, ii) Self Review Form (SRF) to be downloaded, filled-in and sent to the Mentor allotted to their school and iii) Mentee Feedback Form about improvement in implementation of CCE after mentoring by the allotted Mentor is also accessible to the Mentee schools which shall be submitted online to the Board. Guidelines to login through Login IDs are given in Annexure-1, Points 5,6 & 7-B.

Through this upgraded mentoring website efforts have been made to make Mentoring and Monitoring activities transparent and to ensure access to every school and a kind of responsiveness among the schools. Now on one hand every school which is a Mentor or a Mentee can get to know online about their Mentor/Mentee through Login IDs and Password generated by them and on the other hand the Board also can take stock of the Mentee through Mentor Report and about the Mentor through the Mentee Feedback.

The mentee schools where no new Mentors have been appointed or changed, will continue to take Mentorship of old mentors until they are contacted by the New Mentor or receive any communication from the Board about change of Mentor. However, their Mentee Codes will now stand changed as per new Method given in Annexure-2 and to submit their online Mentee feedback they are requested to follow new guidelines as given in Annexure-1.

Old Mentors who have not been changed or retrained are requested to continue to Mentor as many schools as can be mentored by them until they receive any communication following a fresh training programme, if any, attended by them or otherwise. However, their Mentor Codes will now stand changed as per new Method given in Annexure-2 and to submit their online reports they are requested to follow new guidelines as given in Annexure-1.

All the Mentors are requested to visit the Mentees allotted to them twice in an academic year with one visit performed in each term. After the Mentee schools are visited and mentored, the Mentors are requested to submit separate Online Reports at the earliest in respect of each school mentored by them in the newly developed format i.e. Handout-3F, available on website. No combined report in respect of all the schools mentored should be sent. They may also submit their Bills for token Honorarium and actual conveyance/TA/DA as the case may be, duly certified and
supported with documents as per guidelines contained in appointment letter issued to them. Token Honorarium Form, Conveyance Form and TA/DA Form can be accessed through Mentor IDs allotted to the Mentors.

- All the Mentors are requested to undertake the Mentoring work with above information/guidelines into perspective and continue to extend their valuable cooperation in the effective implementation of CCE scheme in all the schools affiliated to the Board.

- It is important to mention that allotment of Mentors to newly affiliated schools may take some time. Therefore, these new schools and those schools which have not been allotted Mentor so far may take help of Board appointed neighbouring Mentor schools or from the Experts of CBSE Sahodaya school Complex of their area to ensure proper implementation of the CCE in their schools. The Mentor Data is available in the Mentor corner of Board’s academic website i.e. [www.cbseacademic.in](http://www.cbseacademic.in).

The Board has appointed about 3000 mentors with each mentor allotted 3 to 5 schools for mentoring in the neighborhood/nearby cities. Taking cognizance of efforts, hard work and improvement in quality of education through mentoring by mentors, the Board has decided to Award such outstanding Mentors w.e.f. academic session 2011-12. The details shall be made available on above website soon.

For further information, if any, they may kindly contact Mr. Shekhar Chandra, Desk Officer (M&M) through e-mail on: cbsemnn@gmail.com or on telefax No. 011-23231667.

With regards,

Yours sincerely,

iii) Each school has to fill in the Self Review Form (SRF) for themselves only and not for any other school.

iv) The Mentor school will only observe evidence in case of the data filled in by the Mentee School in the SRF.

v) Various tools to be used for the Mentoring & Monitoring of CCE are available to all the schools in Mentoring Corner of Board’s Academic website.

vii) Mentors are requested to understand and carry out the M&M initiative in the spirit of learning from each other as Peer Assessors. It should not be used as a brand building or advertising exercise for one’s own Institution. Any Mentor found to be doing so will be disqualified and will not be considered for the CBSE Mentor Award.

viii) There are certain procedures for Mentoring, which have to be followed by all the Mentor Schools. These have been shared in the various Mentoring Workshops conducted by the Board and are also available in the ‘Tools for Monitoring & Mentoring of CCE’. These procedures should always be kept in mind while mentoring. These are also being reproduced here for reference and perusal.

ix) The Mentors who have been trained/retrained in the Mentoring workshops organized by the Board are requested to extend all possible help to mentor/guide newly affiliated schools of their area and other schools which have not been allotted Mentors by the Board as and when approached by such schools.
