

CBSE | DEPARTMENT OF SKILL EDUCATION

CURRICULUM FOR SESSION 2021-2022

TOURISM (SUBJECT CODE 806)

JOB ROLE: TRAVEL AGENT/ TOUR OPERATOR

CLASS – XI & XII

COURSE OVERVIEW:

In an increasingly globalized world with the changing paradigm of urbanized living the demand for Tourism has increased manifold the world over. India has emerged as an attractive tourism destination for all types of tourists around the year resulting in Travel & Tourism taking its place among the key industries in the economy. It employs large number of work forces and its contribution to the national income is very substantial.

This course will deepen the students understanding about tourism as an activity, how tourism industry is organized and developed, and how tourism influences society locally, nationally and globally. The tourism industry covers several sectors such as hotels, airlines, destination, attractions, transportation, cruises, events, activity providers, shopping centers, tourist services, travel agents, tour operators and many others.

Most jobs in the tourism industry are about creating experiences for the traveler. This is what makes this industry especially interesting. When studying tourism one needs to learn how to create these memorable experiences. Keeping these aspects in mind the course is a strong balance between the theoretical and the practical components of the industry.

This course meets the growing needs of the tourism industry to shape highly skilled and knowledgeable professionals, so that they can assume leading roles in the management of tourism organizations. The course blends the required operational knowledge and skills, with managerial competencies, in order to educate the new generation of tourism executives. It emphasizes the cross-cultural, moral, ethical, institutional and environmental issues in the management of tourism organizations, while covering all business and operational skills.

OBJECTIVES OF THE COURSE:

The course is a planned sequence of instructions that familiarizes students with the fundamental concepts of the tourism industry and aims at giving a comprehensive introduction of the tourism industry to encourage further study and stimulate interest in the subject area, employability and vocational competencies. The course aims at providing insight to the students regarding various aspects and sectors associated with the tourism industry.

Followings are the main objectives of this course.

- To familiarize the students regarding various dimensions of tourism industry and career opportunities available in this field.
- To develop practical understanding among the students associated with tourism business through classroom discussion/ participation and projects.
- To equip all students with knowledge, understandings, skills, attitudes and values needed for future success.
- To develop transferrable skills among the students for managing various operations efficiently so that they could be ready to join the tourism industry.
- To provide knowledge to students in concise and understandable format so that students could learn and apply these concepts in their career.
- To demonstrate an understanding of the impact of tourism at individual, local, national, regional and global levels.
- To demonstrate an understanding of the principles of good management and customer service.

SALIENT FEATURES:

- Tourism industry is a people based industry and is commonly referred to as Service Industry.
- In the tourism industry service is far more important than the product.
- Travel and tourism is the largest earner of foreign exchange around the world and employs a large number of people directly or indirectly through corresponding service industries
- Hoteliers, Transporters, Travel Agents, Tour Guide and many more jointly play a very key role in making the final product and delivering it to the customers.
- Tourism is the fastest growing industry in the world, with career opportunities in lodging, transportation, attraction, events, food services and many more.
- Tourism is related to broader economic and social issues including commoditization and globalization of culture, hospitality, friendship, pleasure, and places as well as their attractions.
- Travel business is an economic activity, which is related with continuous and regular buying and selling of travel related services.

		Practical File / Report / Portfolio Power Point presentation		15
		Demonstration of Skill competency via Lab Activities		10
		90	40	
		GRAND TOTAL	260	100

NOTE: Detailed Curriculum/ Topics to be covered under Part A: Employability Skills can be downloaded from CBSE website.

PRACTICAL GUIDELINES FOR CLASS XI

Assessment of performance:

The two internal examiners, assigned for the conduct and assessment of Practical Examinations each in **Senior Secondary School Curriculum (Under NSQF)**. Question for the viva examinations should be conducted by both the examiners. Question to be more of General nature, project work or the curriculum. Investigatory Project especially those that show considerable amount of effort and originality, on the part of the student, should get suitable high marks, while project of a routine or stereotyped nature should only receive MEDIOCRE marks.

Procedure for Record of Marks in the Practical answer-books:

The examiner will indicate separately marks of practical examination on the title page of the answer-books under the following heads:-

Project -10 marks

A 'project' can be an assessment task given to an individual student or a group of students on a topic related to the subject. The project results in a 'product' that is assessed. The project may involve both in-class and out-of class research and development. The project should be primarily a learning experience, not solely an assessment task. Because a great deal of time and effort goes into producing a quality product from a project assignment task, you should allow class time to work on the project. Projects options for the final practical are given below.

Field trips-

Field trips are an essential part of the study of Tourism Studies. They facilitate the understanding of the tourism and hospitality industry and provide opportunities for students to experience firsthand the potential of their local areas for tourism. Field trips enable students to:

- Acquire knowledge about local tourism by observing a variety of places.
- Explore the tourism attraction centers or information offices that make tourism possible.
- Identify various ways of promoting tourism, including promotion, information, and communication to help in interpreting, leading and decision making about tourism satisfaction identify, select, organize and communicate tourism information.
- Explore a variety of tourism information, including statistics, data and promotional materials related to tourism.
- Understand the importance of cultural sensitivity.
- Participate in authentic learning experiences.
- Develop and communicate knowledge of their local environment.

Viva based on Project -05 marks

The teacher conducting the final practical examination may ask verbal questions related to the project, if any, done by the student. Alternatively, if no project has been assigned to the students, viva may be based on questions of practical nature from the field of subject as per the curriculum.

Practical File / Portfolio/ Power Point presentation -15 Marks

Portfolios provide evidence for judgments of student achievement in a range of contexts. A portfolio contains a specific collection of student work or evidence. This collection of work should provide a fair, valid and informative picture of the student's accomplishments. Instructor shall assign students any outlet to study the elements in tourism.

Suggested list of Projects –

1. Students will prepare tourism brochures/ posters advertising any one of the UNESCO World Heritage Sites in India. The report will highlight the main features, facilities, services and uniqueness of the chosen destination. Students will also write an advertising script promoting tourism of chosen the destination.
2. Students will create a report by investigating tourism marketing through linkages with event tourism such as a cultural show or event in their region. It shall include information collected from the show/event, photographs, advertising material used and highlights of the show/event.
3. Student will organize school cultural shows as a form of delivering tourism information to the communities and the province. The report shall include a detailed documentation of the process, the final product and feedback from the audience.
4. Students will compare items of information such as brochures obtained at travel agencies, pages downloaded from the internet, articles and advertisements in the general media. They will create a report on the objectives of each piece of information? What are the target audiences? And what are the various channels of distribution of information?
5. Students will demonstrate a broad knowledge and understanding of a range of issues which impact tourism at the local, national and international level by creating a report on any one tourism product in their region. The report shall include a detailed study of the tourism product, its potential and suggestions on its development to encourage tourism activity.
6. Students will enlist and explain the different types of career paths in tourism. Describe various jobs found in the tourism industry, including tour guide, tourism information officer, conference coordinator, tourism coordinator, inbound tourism coordinator, outbound

tourism coordinator, etc. The report shall include evidence of the research done to find jobs such as employment sections of newspapers and careers websites.

7. Students will document and explain skills and attributes of people who work in the tourism industry. The report shall include personal presentation and required work ethics.
8. Students will collect detailed information on other industries such as transport, accommodation, and other services. The report shall highlight how these industries are important and are linked to the tourism industry.
9. Students will write detailed information on the effects on infrastructural development, policy and government due to increases in tourism activities at a destination.
10. Students will create a portfolio of newspaper reports on the economics or business of tourism in the current environment. The report shall include evidence of the research done such as newspapers headlines, newspaper articles and information from tourism websites.

Demonstration of skill competency in Lab Activities -10 marks

Students should be asked to demonstrate acquired knowledge through in-lab activities such as Maps, Charts, Role-play, etc.

Guidelines for Project Preparation:

The final project work should encompass chapters on:

- a) Introduction,
- b) Identification of core and advance issues,
- c) Learning and understanding and
- d) Observation during the project period.
