All the schools having Atal Tinkering Lab

Subject: Workshop on STEM Box at Centre for Creative Learning (CCL) for the teachers of science dealing with Atal Tinkering Lab.

IIT Gandhinagar is conducting a 5-day Hands-on Workshop on STEM Box at Centre for Creative Learning (CCL) for the teachers of science dealing with Atal Tinkering Lab as per the following details:

Date: May 21,2019 to May 25,2019
Time: 9:30 am to 5:15 pm
Venue: Academic Block 2/101, IIT Gandhinagar

2. The workshop will lay special emphasis on hands-on experiential learning and creative tinkering. Participants will be exposed to some of the 200+ activities and models that are created at IITGN. The participants will also develop an understanding of how to make science & math engaging and interesting for students. The end goal is to be able to develop a scientific temper among people. During the course of 5 days, all the participants would make models themselves and then discuss the science and math behind them.
3. Workshop facilitation expenses of IITGN will be **Rs 1500 per person per day (Rs 7500 for five days)**. This cost includes the accommodation and food for participants as well as the cost of material used in the workshop.
4. Interested schools preferably those situated in Gujrat and having a functional ATL lab may get in touch at 07923952240 for more details so that they could avail this workshop.
