

# CBSE | DEPARTMENT OF SKILL EDUCATION

## SECURITY (SUBJECT CODE - 403)

### BLUE PRINT FOR SAMPLE QUESTION PAPER FOR CLASS X (SESSION 2025-2026)

Max. Time: 2 Hours

Max. Marks: 50

#### General Instructions:

1. Please read the instructions carefully.
2. This Question Paper consists of **21 questions** in two sections – Section A & Section B.
3. Section A has Objective type questions whereas Section B contains Subjective type questions.
4. **Out of the given (5 + 16 =) 21 questions, a candidate has to answer (5 + 10 =) 15 questions in the allotted (maximum) time of 2 hours.**
5. All questions of a particular section must be attempted in the correct order.
6. **SECTION A - OBJECTIVE TYPE QUESTIONS (24 MARKS):**
  - i. This section has 05 questions.
  - ii. There is no negative marking.
  - iii. Do as per the instructions given.
  - iv. Marks allotted are mentioned against each question/part.
7. **SECTION B – SUBJECTIVE TYPE QUESTIONS (26 MARKS):**
  - i. This section contains 16 questions.
  - ii. A candidate has to do 10 questions.
  - iii. Do as per the instructions given.
  - iv. Marks allotted are mentioned against each question/part.

### SECTION A: OBJECTIVE TYPE QUESTIONS

| Q. No.      | QUESTION                                                                                                                                                       | Source Material<br>(NCERT/PSSCIVE/<br>CBSE Study Material) | Unit/<br>Chap.<br>No. | Marks |
|-------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------|-----------------------|-------|
| <b>Q. 1</b> | <b>Answer any 4 out of the given 6 questions on Employability Skills (1 x 4 = 4 marks)</b>                                                                     |                                                            |                       |       |
| i.          | What is the minimum height criteria for the female security guards?<br>(a )170 cm. (b) 150cm<br>(c ) 160cm. (d) 165cm                                          | Ncert                                                      | Unit1                 | 1     |
| ii.         | Where would you feel Radial Pulse on human body?<br>(a )Neck. (b) Wrist<br>(c )Thigh. (d) Abdomen                                                              | Ncert                                                      | Unit3                 | 1     |
| iii.        | Which knot is used to tie together two roles of different types or unequal thickness?<br>(a )Sheet band. (b) Figure of eight.<br>(c ) Reef knot<br>(d) Bowline | Ncert                                                      | Unit2                 | 1     |
| iv.         | Where is the head quarters of Army's Southern command located?<br>(a ) Shimla. (b) Pune<br>(c) Jaipur. (d) Lucknow                                             | Ncert                                                      | Unit3                 | 1     |
| v.          | What percentage of non verbal element is there in any personal                                                                                                 | Ncert                                                      | Unit4                 | 1     |

|             |                                                                                                                                                                               |                     |              |          |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|--------------|----------|
|             | communication?<br>(a) 58%. (b) 93%<br>(c) 69%. (d) 38%                                                                                                                        |                     |              |          |
| <b>vi.</b>  | In which year was the Disaster Management Act passed?<br>(a) 2005. (b) 2007<br>(c) 2010. (d) 2011                                                                             | <b>Ncert</b>        | <b>Unit3</b> | <b>1</b> |
| <b>Q. 2</b> | <b>Answer any 5 out of the given 6 questions (1 x 5 = 5 marks)</b>                                                                                                            |                     |              |          |
| <b>i.</b>   | What is the police population of India?<br>(a) 152. (b) 141<br>(c) 137. (d) 160                                                                                               | Ncert               | Unit4        | <b>1</b> |
| <b>ii.</b>  | Which of the following class of fire can be extinguished by using water?<br>(a) Class D. (b) Class A<br>(c) Class C. (d) Class B                                              | Ncert               | Unit2        | <b>1</b> |
| <b>iii.</b> | Which of the following organization is not a part of Indian Armed Force?<br>(a) Indian coast guard<br>(b) National Security guards<br>(c) Indian Air force<br>(d) Indian navy | Ncert               | Unit3        | <b>1</b> |
| <b>iv.</b>  | Which command of the Indian Air Force is located in New Delhi?<br>(a) Central Air command<br>(b) Training command<br>(c) Maintenance command<br>(d) Western air command       | Ncert               | Unit4        | <b>1</b> |
| <b>v.</b>   | Who heads the police force in state?<br>(a) Inspector general<br>(b) Assistant commissioner<br>(c) Director general<br>(d) Deputy inspector general                           | Ncert               | Unit3        | <b>1</b> |
| <b>vi.</b>  | One major example of large scale production of solar power is seen in Charanka. Where is it located?<br>(a) Rajasthan. (b) Gujarat<br>(c) Madhya Pradesh<br>(d) Maharashtra   | Cbse study material | Unit4        | <b>1</b> |
| <b>Q. 3</b> | <b>Answer any 5 out of the given 6 questions (1 x 5 = 5 marks)</b>                                                                                                            |                     |              |          |
| <b>i.</b>   | How many members are there in fire suppression team?<br>(A) 6 (b) 2<br>(C) 4. (D) 5                                                                                           | Ncert               | Unit2        | <b>1</b> |
| <b>ii.</b>  | DVR stands for ___ video Recorder.<br>(A) Digital. (b) Drum<br>(C) Dance. (D) None of the above                                                                               | Ncert               | Unit5        | <b>1</b> |
| <b>iii.</b> | RFID stands for ___ identification.<br>(a) Rational frequency<br>(B) Radio frequency<br>(C) Random failure<br>(D) None of the above                                           | Ncert               | Unit3        | <b>1</b> |
| <b>iv.</b>  | In French the term disaster means .<br>(a) Lucky. (b) Blue<br>(c) Evil (d) Good                                                                                               | Ncert               | Unit2        | <b>1</b> |

|        |                                                                                                                                                                                                             |                                                            |                       |       |

No. | QUESTION                                                                                                                                                                                                    | Source Material<br>(NCERT/PSSCIVE/<br>CBSE Study Material) | Unit/<br>Chap.<br>No. | Marks |
| Q. 4   | Answer any 5 out of the given 6 questions (1 x 5 = 5 marks)                                                                                                                                                 |                                                            |                       |       |
| i.     | In which year the private security<br>agencies act was passed?<br>(A ) 2011. (B) 2005<br>(C) 1990. (D) 2000                                                                                                 | Ncert                                                      | Unit2                 | 1     |
| ii.    | If an inquired person is suspected to<br>have suffered spinal or neck injury, a<br>first aider should not use.<br>(A ) Chin lift method<br>(B) Mouth to mouth resuscitation<br>(C) Tourniquet<br>(D) Splint | Ncert                                                      | Unit2                 | 1     |
| iii.   | Standard pace in TEZ Chal (quick<br>march) is.<br>(A ) 60 paces per min<br>(B) 120 paces per min<br>(C) 100 paces per min                                                                                   | Ncert                                                      | Unit4                 | 1     |
| iv.    | What is the other name of collar bone<br>(A ) Clavicle<br>(B) Solar plexus<br>(C) Sternum<br>(D) Elbow                                                                                                      | Ncert                                                      | Unit3                 | 1     |
| v.     | The process of cutting off supply of<br>air/oxygen to the burning material is<br>called.<br>(A ) Starving. (B) Cooling<br>(C) Freezing<br>(D) Smothering                                                    | Ncert                                                      | Unit2                 | 1     |
| vi.    | One byte is equal to.                                                                                                                                                                                       | Ncert                                                      |                       | 1     |
| Q. 5   | Answer any 5 out of the given 6 questions (1 x 5 = 5 marks)                                                                                                                                                 |                                                            |                       |       |
| i.     | Esophagus is a part of which system?<br>(a ) Nervous system<br>(b) Urinary system<br>(C) Digestive system<br>(D) Respiratory system                                                                         | Ncert                                                      | Unit3                 | 1     |
| ii.    | In order to succeed in life which of the<br>following skills one must posses<br>(A ) Self awareness<br>(b) Adaptability<br>(C) Responsibility<br>(D) All of the above                                       | Ncert                                                      | Unit2                 | 1     |
| iii.   | Rules of first Aid are<br>(A ) Assure the injured to remain calm                                                                                                                                            | Ncert                                                      | Unit1                 | 1     |

|            |                                                                                                                                                     |       |       |          |
|------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|-------|-------|----------|
|            | and not to panic<br>(B) Do not move the victim in case of back injury/neck injury<br>(C) Both of the above<br>(D) None of the above                 |       |       |          |
| <b>iv.</b> | What are the different types of accidents<br>(A )Accident at workplace<br>(B) Industrial disease<br>(C) Clinical accident<br>(D) All of the above   | Ncert | Unit2 | <b>1</b> |
| <b>v.</b>  | What happens when ctrl+C keys of a computer are presses simultaneously?<br>(A ) Delete (b) copy<br>(C) Paste (d) select all                         | Ncert | Unit5 | <b>1</b> |
| <b>vi.</b> | What is the full form of I.P.S<br>(A ) Indian portal service<br>(B) Indian police service<br>(C) Indian petroleum services<br>(D) None of the above | Ncert | Unit5 | <b>1</b> |

## **SECTION B: SUBJECTIVE TYPE QUESTIONS**

| <b>Q. No.</b>                                                                                                    | <b>QUESTION</b>                                                              | <b>Source Material<br/>(NCERT/PSSCIVE/<br/>CBSE Study Material)</b> | <b>Unit/<br/>Chap.<br/>No.</b>     | <b>Marks</b> |
|------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------|---------------------------------------------------------------------|------------------------------------|--------------|
| <b>Answer any 3 out of the given 5 questions on Employability Skills in 20 – 30 words each (2 x 3 = 6 marks)</b> |                                                                              |                                                                     |                                    |              |
| <b>Q. 6</b>                                                                                                      | What is the importance and need of drill?                                    | Cbse study material                                                 | <b>Unit 1<br/>Session 1</b>        | <b>2</b>     |
| <b>Q. 7</b>                                                                                                      | <b>What is the personal hygiene?</b>                                         | Cbse study material                                                 | <b>Unit 1<br/>(session<br/>-2)</b> | <b>2</b>     |
| <b>Q. 8</b>                                                                                                      | <b>Name three forms of unarmed combat.</b>                                   | Cbse study material                                                 | <b>Unit 1<br/>(session<br/>3)</b>  | <b>2</b>     |
| <b>Q. 9</b>                                                                                                      | <b>What are the various techniques adopted in martial arts?</b>              | Cbse study material                                                 | <b>Unit<br/>1(session<br/>4)</b>   | <b>2</b>     |
| <b>Q. 10</b>                                                                                                     | <b>What is the Disaster management cycle?</b>                                | Cbse study material                                                 | <b>Unit 2(<br/>session<br/>1)</b>  | <b>2</b>     |
| <b>Answer any 4 out of the given 6 questions in 20 – 30 words each (2 x 4 = 8 marks)</b>                         |                                                                              |                                                                     |                                    |              |
| <b>Q. 11</b>                                                                                                     | <b>Who are the members of ERT?</b>                                           | Cbse study material                                                 | <b>Unit 2<br/>(session<br/>2)</b>  | <b>2</b>     |
| <b>Q. 12</b>                                                                                                     | <b>Define the term reduce with respect to dealing with fire emergencies.</b> | Cbse study material                                                 | <b>Unit<br/>2(session<br/>3)</b>   | <b>2</b>     |
| <b>Q. 13</b>                                                                                                     | <b>What types of threat a country faces?</b>                                 | Cbse study material                                                 | <b>Unit 3 (<br/>session<br/>1)</b> | <b>2</b>     |

|                                                                                          |                                                                            |                     |                       |   |
|------------------------------------------------------------------------------------------|----------------------------------------------------------------------------|---------------------|-----------------------|---|
| Q. 14                                                                                    | Why national security needed?                                              | Cbse study material | Unit 3<br>(session 2) | 2 |
| Q. 15                                                                                    | What are the roles and functions of BSF during war?                        | Cbse study material | Unit3<br>(session 2)  | 2 |
| Q. 16                                                                                    | What are the role of CRPF?                                                 | Cbse study material | Unit 3<br>(session 4) | 2 |
| <b>Answer any 3 out of the given 5 questions in 50– 80 words each (4 x 3 = 12 marks)</b> |                                                                            |                     |                       |   |
| Q. 17                                                                                    | Differentiate between role and functions of police and traffic police.     | Cbse study material | Unit 3<br>(session 5) | 4 |
| Q. 18                                                                                    | How do private security and public law enforcement agencies work together? | Cbse study material | Unit3<br>(session 6)  | 4 |
| Q. 19                                                                                    | Differentiated between types of knots.                                     | Cbse study material | Unit 6<br>(session 1) | 4 |
| Q. 20                                                                                    | Differentiate between stroke and heart attack.                             | Cbse study material | Unit 6<br>(session 2) | 4 |
| Q. 21                                                                                    | Discuss five salient features of Access Control System.                    | Cbse study material | Unit 7<br>(session 3) | 4 |
