SWACHHTA PAKHWADA ~ CLEANLINESS FORTNIGHT

1st – 15th September 2016

NOTIFICATION	SUGGESTED ACTIVITIES
<p>The Board recognizes the vital role for schools to educate and sensitize their students about the importance of cleanliness for a healthy, socially responsible, economically dynamic and progressive nation. In this regard, the SWACHHTA PAKHWADA ~ CLEANLINESS FORTNIGHT, is a campaign to bring teachers, students, parents and the community together to fulfil this mission.</p> <p>Historically, cleanliness has been considered one of the important factors by which to judge our society's development. Therefore, serious reflection and sustainable action is required in order to make this valuable principle a part of our daily lives.</p> <p>Schools should also ensure that the scholastic and co-scholastic learning objectives are being achieved through the conduct of the various activities during the fortnight, and students are duly assessed based on their levels of participation and learning achieved through them.</p>	1. DO NOT THROW LITTER around! Make the effort to find a dustbin and use it!
	2. LEAVE TOILETS CLEAN after every use. Post messages/slogans about personal hygiene and cleanliness near toilets/wash areas.
	3. WEED OUT OLD FILES/RECORDS in accordance with school / Boards norms
	4. DISPOSAL of broken furniture, equipment etc. completely from the school premises.
	5. USE ONLY RECYCLABLE WASTE for all art and craft activities. Hold an exhibition for the public to demonstrate your skills and creativity.
	6. APPOINT SWACHTA MONITORS and acknowledge those who have been doing good work during 2015-16 academic session.
	7. MAINTAIN TWO/MORE DUSTBINS FOR SEGREGATION OF SCHOOL WASTE – ORGANIC and INORGANIC. The Environment Club members /Scouts and Guides will ensure waste disposal is done systematically and sustainably. Put up an informative sign board nearby.
	8. PREPARE AND MAINTAIN A COMPOST PIT for all biodegradable, organic waste as a part of the Environment and Science Club, Scout & Guide Activities. Use the natural fertilizer for your school garden. Put up an informative sign board near the pit.
	9. ADOPT A MONUMENT near your school and help to keep it clean.
	10. ADOPT A PARK and help maintain its greenery and keep it clean. Label the plants / trees for information. Put up signs with messages about cleanliness.

The activities, conducted between 1st to 15th September 2016 , will enable schools to take the mission for cleanliness to their local community, thereby fulfilling a wider, national goal

School Heads are requested to ensure the maximum participation of all stakeholders in the campaign. **They may also submit a report of about 50 words and upload photographs , covering each day's activity/ies, on the link given below:**
