NOTIFICATION

CBSE - INTEL AI-thons: AI readiness workshops for students

Responding to the overwhelming response received to the first CBSE-Intel AI-thon organised at Chandigarh in July 2019 (ref. Notification no. 31, dated 10th July, 2019), CBSE in collaboration with Intel, will be organising similar **AI-thons: AI readiness workshops for students**, at various locations throughout the country as per the following schedule:

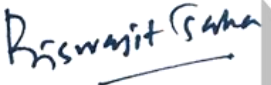

S. No.	DATE	LOCATION	REGISTER BEFORE*	LINK FOR REGISTRATION
1	5 th to 7 th Nov. 2019	Ghaziabad	30 th Oct. 2019	http://bit.ly/AI4CBSEAITHON 
2	19 th to 21 st Nov. 2019	Bangalore	11 th Nov. 2019	
3	26 th to 28 th Nov. 2019	Guwahati	19 th Nov. 2019	
4	3 rd to 5 th Dec. 2019	Pune	26 th Nov. 2019	
5	10 th to 12 th Dec. 2019	Chennai	3 rd Dec. 2019	
6	17 th to 19 th Dec. 2019	Indore	11 th Dec. 2019	
7	7 th to 9 th Jan. 2020	Jaipur	31 st Dec. 2019	
8	16 th to 18 th Jan. 2020	Ahmedabad	9 th Jan. 2020	

* The list of the selected students shall be available on the CBSE website 5 days prior to each AI-Thon.

Please note that

- AI-thon is an extensive three-day workshop for students from 9 am to 5 pm on all days.
- Each participating school should select only two students who fulfil the eligibility criteria.
- There is **no fee** for attending these workshops.
- The participation in these workshops is strictly on first-come-first-served basis as seats are limited.
- CBSE will not provide any TA/DA or stay facility to the participants. The participating schools shall have to make the travel and stay arrangements for the participants.
- Refreshments will be provided during the workshop.

For further details/query, please contact Joint Secretary, Department of Skill Education, through e-mail at jsse.cbse@gmail.com or mail to ai4cbse@gmail.com

CBSE – INTEL AI-THON

INVITING STUDENTS TO JOIN CBSE – INTEL AI - Thons

CBSE in collaboration with Intel, is hosting three days deep dive hands on workshop: **AI – Thon: AI Readiness workshop**. The full day workshop aims to introduce students to the basics of AI and taking them through the complete journey concluding with converting ideas to projects. This is in sync with the inclusion of AI as a subject by CBSE from the current academic year.

During these AI-Thon, students will attend sessions on following topics:

- Computer Vision
- Data collection
- Natural Language Processing
- AI Project Cycle Framework
- Sustainable Development Goals
- Data Science
- AI ethics
- Creating real time projects

The key objective of these AI-thons is to enable and empower students with AI skills and use them to find solutions to the problems faced by the community related to climate change, food security health, sanitation etc. and thus become AI ready.

Eligibility criteria for AI-Thon

- Any student of classes VIII to X from any CBSE affiliated school can participate.
- Students of the schools who have opted for AI as a Skill subject may be preferred.
- Students with prior knowledge of Python and higher proficiency in Mathematics may be considered.
- Students with keen interest in learning/mastering AI and its application may be given an opportunity.
- The participation in these workshops is strictly on first-come-first-served basis as the no. of seats at each venue is limited to 50 participants.
- Decision of the organizers shall be final.
