## NOTIFICATION

### ***“Responsible AI for Youth”* a National Programme for Government schools launched by the Ministry of Electronics & IT (MeitY)**

The Ministry of Electronics & IT (MeitY) has launched a National Program **“Responsible AI for Youth”** on May 30, 2020 with an objective to demystify AI for youth and equip them with the skill sets and the mind-set required for AI readiness; democratize access to AI tools and train youth to use them skilfully and enable youth to create meaningful social impact solutions as evidence of achievement.

The Program has been launched in collaboration with Intel and is open only to the students from Government schools pan India and provides them with an opportunity to become part of the skilled workforce in an inclusive manner. The salient features of the programme are at **Annexure-I**.

In this regard, all the Government schools affiliated to CBSE, are requested to nominate teachers as per the pre-defined criteria for the 1<sup>st</sup> Phase and thereon ensure serious participation in every subsequent phase. Teachers can register themselves or get nominated by their respective school authorities/ State Education Departments for the program using the link <https://bit.ly/TeacherRegistration-AIReadiness> as per the criteria mentioned in **Annexure -II**

The detailed Information Manual of this programme can be downloaded using the link <https://bit.ly/rai4yifm>.

For more queries and feedback, the participants/ schools may refer to the website (<https://responsibleaiforyouth.negd.in/about>) or contact the following:

## **SALIENT FEATURES OF THE PROGRAMME: “RESPONSIBLE AI FOR YOUTH”**

- ☐ The Program will be open to students from Government Schools based in District Headquarters; classes 8 – 12 across the country
- ☐ It will be implemented in a phase wise manner.
- ☐ **In Phase I**
  - Teachers will be on-boarded for the Program either through self-nomination or with support from State Education Departments.
  - Teachers to be nominated from District Headquarters per State/UT as given under:
    - 10 Teachers to be nominated from states/UT with less than 20 districts.
    - 15 Teachers to be nominated from states/UT with 20-40 districts.
    - 20 Teachers to be nominated from states/UT with more than 40 districts.
  - These teachers will be provided orientation sessions aimed to help them understand the premise and identify potential students for the program. Student selection criteria will be shared during the orientation sessions.
  - Each nominated teacher will identify 25 - 50 students from their respective schools and share their details with the organizing team.
  - The identified students will attend online training sessions; wherein they will be introduced to AI and taken through an ideation process to help them think of social impact ideas/projects that may be created using AI.
  - These students will then be encouraged to participate in the online Program and submit their ideas through a 60 seconds video explaining a proposed AI enabled solution
- ☐ **In Phase II**
  - Top 100 ideas will be shortlisted from the online entries and these students will be invited to attend residential boot camps or online sessions (subject to COVID-19 situation); to take them through a deep dive AI journey.
  - Adequate handholding will be provided by Intel certified AI coaches and mentors throughout.
  - Post the bootcamps/ online sessions, these students will be asked to create real time projects and submit their final project in a video format on the website.
- ☐ **In Phase III**
  - Top 50 project ideas will be shortlisted and students will be invited to showcase their projects in a face to face or an online format.
  - Top 20 innovative projects will be selected by an independent committee of experts and provided opportunities to showcase at relevant platforms
- ☐ **Please note:** All tools, materials and logistics for boot camps and national showcase will be taken care of by M/s Intel.
