	The importance of perso	nal selling to a business o	rganization may be	

	described as follows: i) Effective Promotional Tool: Personal selling is very effective promotional tool, which helps in influencing the prospects about the merits of a product and thereby increasing its sale. (ii)Flexible Tool: Personal selling is more flexible than other tools of promotion such as advertising and sales promotion. It helps business persons in adopting their offer in varying purchase situations. (iii)Minimizes Wastage of Efforts: Compared with other tools of promotion, the possibility of wastage of efforts in personal selling is minimum. This helps the business persons in bringing economy in their efforts. (iv) Consumer Attention: There is an opportunity to detect the loss of consumer attention and interest in a personal selling situation. This helps a business person in successfully completing the sale. (v)Lasting Relationship: Personal selling helps to develop lasting relationship between the sales persons and the customers, which is very important for achieving the objectives of business.	1x5

	communication and less flexible. It can also be used as a legal evidence. (b) Verbal Communication:- Verbal communication is the use of words to share information with other people. The effectiveness of the verbal communication depends on the tone of the speaker, clarity of speech, volume, speed, body language and the quality of words used in the conversation.	2½

29	A company is an association of persons formed for carrying out business activities and has a legal status independent of its members.	1
	Features of Joint stock company are:	
	(a) Separate legal entity: From the day of its incorporation, a company acquires an identity, distinct from its members. Its assets and liabilities are separate from those of its owners.	2
	(b) Artificial person: A company is a creation of law and exists independent of its member. Like natural persons, a company can own property, incur debts, borrow money, enter into contracts. It is, therefore, called an artificial person.	2
30	(a) The hire purchase system is essentially a contract for hiring of goods.	
	The ownership rights remain with the seller and the customer exercises his	
	option for purchasing the goods. The buyer can return the goods at any stage. The seller can also take back the goods in case of non-payment.	2 ½
	(b) When goods are sold and payment is agreed to be made in instalments, it is known as instalment payment system. In this case if there is default in payment of any instalment by the buyer, the seller cannot ask for the goods to be returned as the ownership rights pass to be buyer when goods are sold and initial payment is made. The seller can only sue the buyer in a law court for payment of the balance due.	2 ½
